

Southern Tennessee Regional Health System Pulaski
Social Worker Position

The Social Worker is responsible for providing high quality patient care, completing patient assessments, identifying problems/needs, treatment planning group treatment, individual and family therapy, and discharge planning. Additionally, he/she is expected to function as a member of the interdisciplinary treatment team and participate in the interdisciplinary treatment process.

There is no formal close date but will hire by January 2019. Benefits and salary will be discussed upon interview which is based on years of experience. We are a 13-bed in-patient geriatric psych facility attached to STRHS Pulaski. The LCSW would participate in treatment team, complete treatment plans, conduct group, and facilitate discharge planning.

Qualifications include active license & psych/in-patient hospital experience is preferred but not required. Master's degree in social work with a specialization in Clinical Social Work. Decisive judgment and the ability to work with minimal supervision. Must be able to work in a stressful environment and take appropriate action. Requires current state certification or licensure. One-year experience in a geriatric psychiatric specialty unit is preferred.

Please contact Susan Hewgley, LCSW, Unit Director at 931-309-6804 or by email at Susan.hewgley@lpnt.net.
