

Social Work Solutions

Solutions that work for you

Social Work Solution is looking for a licensed social worker to join our team. As a private practice with over a decade of experience of serving families in the River Region we are excited to expand our services and are looking for therapists who share our strengths based vision for clients and client systems. Successful applicants will be licensed social workers at the Master's level or above and be highly motivated to build their own client base and niche. Resume's and inquiries should be directed to soclwrkrjh@att.net .
