

Social Work Care Coordinator – ACHN East Region

Department Overview

Subsidiary for the Alabama Coordinated Health Network (ACHN) is responsible for coordinating care for healthy eligible individuals, those with multiple chronic conditions, pregnant women, and men and women needing family planning. The goal of the program is to ensure an effective and efficient delivery of care. This area works with low income populations to improve the quality of care programs and community outreach.

Primary Responsibilities

This position performs care management for eligible individuals (EIs) assigned by the State of Alabama Medicaid Office. Our subsidiary provides this care management for EIs enrolled in programs designated by State of Alabama Medicaid. Performance guidelines are in place to ensure that sound care plans are developed and acted upon in a timely manner so as to improve the EIs overall health. This care management frequently involves face-to-face meetings with the EIs to gain a full understanding of their challenges. This position will primarily provide services to home care and community based populations identified as needing care management and transitional services from inpatient facilities.

Note: This position is a telework / field based position located in one of the East region counties of the Alabama Coordinated Health Network (ACHN). These counties include: DeKalb, Cherokee, Etowah, Blount, St. Clair, Calhoun, Talladega, Cleburne, Clay, Randolph, Coosa, and Tallapoosa counties.
