

The Weldy Home for Girls located in Fayette County near Winfield operates as a foster home in cooperation with the State of Alabama Department of Human Resources. The Home was shut down during the pandemic, but is now searching for staff in order to reopen in July 2021. The Weldy Home is fully licensed and under contract with DHR for receiving foster children as soon as staff is on board.

The following position is now open:

Executive Director: requires a minimum of B.S. Social Work degree, state licensure, and two years' experience with foster children.

Salary is negotiable and commensurate with experience and licensure.

Interested candidates may contact Board of Directors President, Steve Brown, at sandd@outlook.com or call 205-495-1954.
