

2022-2023 Training Dates for the ASBSWE-approved Supervision and Ethics for Clinical and Non-Clinical Social Workers

The University of Alabama School of Social Work (UA SSW) has been **board-approved by the Alabama State Board of Social Work Examiners (ASBSWE)** to offer supervision training through the UA SSW Continuing Education Program.

This supervision training is in response to recent [Supervision Rules 850-X-3](#) changes affecting Alabama's social workers at all levels, including LBSW, LMSW, LICSW, PIP, and Supervision.

To provide supervision in Alabama, social workers are now required to take a supervisor training led by a **board-approved program**. The UA SSW CE Program has developed a supervision training workshop to satisfy the board requirements. These trainings will share knowledge on the recent rule changes, as well as enhancing skills to successfully fulfill the supervision duties the ASBSWE board expects **board-approved supervisors** to complete.

The training is intended:

- For those seeking supervision training for Non-Clinical (LBSW and LMSW) social workers, the training is 1.5 days, or 12 hours, and will include 3.0 hours of ethics.
- For those seeking supervision for Clinical (LICSW) social workers, the training is 2.0 full days, or 16 hours, and will include 3.0 hours of ethics .

The face-to-face workshops will be held at the Bryant Conference Center in Tuscaloosa (unless noted otherwise), occurring from 8:00 am – 5:00 pm on both days.
